## **A Guide for Students, Faculty, and Parents**

All students, parents and school staff are responsible for the information and regulations included in this handbook and are subject to all rules and regulations set forth by the Immanuel Lutheran Christian Academy Board of Trustees.

### **Introduction**

The student handbook is designed to assist students in having an enjoyable, successful and safe school year. Immanuel Lutheran Christian Academy provides a caring and challenging Christian school environment that seeks to develop faith and reliance on Jesus Christ as each child's personal Savior and friend, to develop strong academic skills, to discover special interests, and to promote activities for personal and social growth.

Each part of the handbook provides the information necessary to enhance the effectiveness of the school environment. The handbook also includes policies and procedures adopted by the Board of Trustees. We encourage parents to read the handbook, review it with their children, and maintain a copy at home for future reference.

## **Mission Statement**

Immanuel Lutheran Christian Academy exists to provide a foundation of quality Christian Education upon which to prepare children for Godly leadership.

## **Motto**

“College Prep, Life Prep, Eternal Prep”

## **School Philosophy**

Christian faith is integrated into all curriculum and activities.

Growth in grace and knowledge are balanced and emphasized.

A safe environment of Christian love and confidence supports each child and family in an increasingly chaotic world.

Family faith and Christian values are reinforced.

Children are equipped with Christian knowledge and behavior to enable them to serve God as leaders in all situations.

Open communication and multiple opportunities for parent involvement are valued.

Each child's individual learning needs are addressed.

An extensive schedule of national, state and locally accepted curriculum is offered. Numerous extra- and co-curricular activities work with the academic programs to provide the balanced education needed in a thriving democracy. Exemplary student services, including hot lunch program, extended care program, wireless computer lab and connections, sports, performing arts, summer camp, academic competitions, foreign language, clubs and organizations are the programs provided to carry out this philosophy.

Christian teachers and daily study of God's Word are the foundations for these programs.

## **Apostle's Creed**

I believe in God, the Father Almighty,  
Maker of heaven and earth,  
and in Jesus Christ,  
His only Son, our Lord:  
Who was conceived by the Holy Spirit,  
born of the Virgin Mary,  
suffered under Pontius Pilate,  
was crucified, died, and was buried.  
He descended into hell.  
On the third day, He rose again from the dead.  
He ascended into heaven  
and sits at the right hand of God the Father Almighty,  
from there He shall come to judge the living and the dead.  
I believe in the Holy Spirit,  
the Holy Christian Church,  
the communion of saints,  
the forgiveness of sins,  
the resurrection of the body,  
and the life everlasting.  
Amen.

## **Notice of Nondiscriminatory Policy as to Students**

Immanuel Lutheran Christian Academy admits students of any race, color, national and ethnic origin, to all rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration or its educational policies, admissions policies, tuition assistance and loan programs, and athletic or other school-administered programs.

## **Admissions Policies**

Each family wanting to enroll a student at Immanuel Lutheran Christian Academy will be required to complete an enrollment application, have an interview with the administration, and sign a statement of cooperation regarding the school's policies and tuition plan. High school students will also be required to complete an essay and may be required to have references from former school officials. The administration will review all enrollment documentation and make the final determination of the student's enrollment status.

Students entering school for the first time or who do not have assessment testing results from previous schools may be required to take an academic assessment test selected by the administration of Immanuel Lutheran Christian Academy.

Upon acceptance to Immanuel Lutheran Christian Academy and when updates are requested, parents must provide a copy of the student's birth certificate, previous school records, immunization records, complete a record release form, sign a probationary enrollment and parental agreement form, and pay the enrollment fee. Enrollment fees are non-refundable except in extenuating cases as determined by the administration. Enrollment will not be processed until these documents and fees are obtained.

Immunization requirements for the State of Oklahoma must be met for admission to Immanuel Lutheran Christian Academy. Enrollment will not be finalized until proof of immunizations is current.

Students meeting the admissions requirements will be enrolled for a one-semester probationary period. Students who do not meet the probationary agreement criteria by the end of the first semester may be denied enrollment for the succeeding semester or succeeding years.

## **Placement Policies**

The administration of Immanuel Lutheran Christian Academy does not encourage advancing students to higher grade levels, but challenges them through a rigorous curriculum and appropriate enrichment in their current classroom. Parents who request Proficiency Based Promotion will complete an application process and discuss all academic, social and emotional aspects with an administration and teaching staff.

Upon admission to Immanuel Lutheran Christian Academy, the administration will review previous school records or current assessment tests administered by the school to determine a beneficial and appropriate placement for the student. The administration and parents will discuss all aspects of the placement options. Immanuel Lutheran Christian Academy administration reserves the right to make the final placement determination.

Immanuel Lutheran Christian Academy may not be able to meet the educational needs of the significantly physically, emotionally, mentally challenged or learning disabled student. In those cases, the administration will meet with the parents and teachers to review all documentation and

information to determine if the student can be enrolled or would be more successful in another school.

### **Probationary Period**

Each student enrolled in Immanuel Lutheran Christian Academy is on a probationary basis for a period of one semester. At any time during this period of probationary status a student may be removed if he is not meeting the standards in any one of the following areas:

1. Demonstrates satisfactory work at the assigned grade level.
2. Demonstrates acceptable behavior in the classroom and all other school settings and activities.
3. Demonstrates respect for fellow students, teacher, and other adults in the building.
4. Attends on a regular basis.

It is assumed that the school and parents will work together to solve any problems in the above areas during the probationary period so that a collaborative plan for improvement can be implemented. If any student has not demonstrated satisfactory progress in one of the above areas, parents will be notified of any difficulty before the end of the probationary period.

1. The Headmaster will collect relevant documentation.
2. The Headmaster will have a conference with the parents and others involved.
3. The Board of Trustees will receive a copy of all reports. The Headmaster will relate to the Board of Trustees any important information about the conference with the parents.

NOTE: Other factors which may have caused or contributed to the infraction will be handled appropriately.

If a student's enrollment is terminated from the school at the approval of the Board of Trustees, no registration or tuition fees will be refunded.

### **Tuition Policies**

Member and nonmember tuition will be reviewed and set by the Board of Trustees each year. Tuition schedules and payment plans are valid for the current school year only.

Parents/guardians will be notified of the tuition schedule for the current school year in the enrollment information and will be required to sign an agreement insuring prompt tuition payments. Enrollment will not be finalized until this agreement is signed. All re-enrollment and supply fees are due by May 1<sup>st</sup>. FACTS tuition management is the form of tuition payment approved by the Board of Trustees.

Tuition is due on the 1<sup>st</sup> of each month and is auto-deducted through FACTS. Accounts paid after the 5<sup>th</sup> of the month will be assessed a \$25.00 late fee, and a past due notice will be issued. Accounts paid after the 15<sup>th</sup> will be assessed a \$35.00 late fee and a past due notice will be issued. Any parent/guardian who is more than thirty days delinquent in tuition payment will be required to meet with the administration to set up a written payment plan schedule with the purpose of becoming current in payments within sixty days. Any parent/guardian who does not meet with the administration for this purpose or who does not meet the payment plan agreement may have his child's enrollment revoked. If this occurs, the student will not be re-enrolled in ILCA until all tuition and late charges have been paid in full. All financial aid will be revoked and will have to be reapplied for if the student is re-enrolled. Delinquent accounts will be turned over to a collection agency. Families may also be required to pay by cash if there is a history of tardiness of payments.

Please note the following features in using the FACTS system for tuition payment:

- ❖ Convenient and secure customized online payment plan sign-up
- ❖ Demographic and financial account management online
- ❖ E-mail payment reminders 5 days prior to scheduled payment date
- ❖ Online tuition payments at any time
- ❖ Multiple payment plan options
- ❖ Ability to switch payment methods (e.g., from ACH to credit card)

Persons who are or become members of Immanuel Lutheran Church must be active, participatory, giving of time, talent and treasure to the church to qualify for member tuition rate. They must have completed the new member class presented by the Pastors and have 50% church attendance for one semester of school before being given the member tuition rate. They must maintain 50% church attendance to maintain that rate. Persons who do not do this may have member tuition rate revoked. Administration makes this determination and will notify families of concerns in this area.

## **Academics**

### **Norm-Referenced Testing**

Norm-referenced tests are designed to provide information on specified areas of knowledge, skills, and content and are used as one measure of achievement in the areas of math, science, reading, writing, spelling, language, U.S. history and government, geography, and other learning areas. Stanford Tests will be administered annually in the spring semester to ninth graders only. Tenth graders will take the PLAN Test, and the ACT, PSAT and SAT tests will be available for eleventh and twelfth graders. Other tests and assessments to prepare for college admittance may also be offered.

### **Evaluation of Student Progress**

4. The school year is divided into four 9-week grading periods for which a report card is given to parents. A student must be enrolled for the entire nine (9) weeks or have withdrawal grades from the previous school to receive a report card for that period.
5. Progress reports will be issued to those students having a below a "C" in a subject at the end of the fourth week of each nine (9) week period. Reports may be sent home for satisfactory and unsatisfactory work as well as when there is a notable change in performance. Additional progress reports may be sent at any time during the year.
6. Semester grades will be transferred to the student's high school transcript.

7. The following grading scales are used in grades 6-12:

90 - 100	A-Superior
80 - 89	B-Above Average
70 - 79	C-Average
60 - 69	D-Below Average
59-below	F-Unsatisfactory

8. Student conduct will be addressed regularly with parents.

9. Parent-teacher conferences will be held in the fall and spring. (See school calendar.) Conferences may also be scheduled at any time by parents or teachers.
10. A parent/guardian may request a student's grades at any time.
11. Renweb is the school's official student data website. Parents and students are encouraged to access their Renweb accounts daily to review grades.

### **Accelerated Curriculum**

Immanuel Lutheran Christian Academy offers advanced curriculum or assignments for accelerated students. Advanced students are served with differentiated curriculum in the classroom, advanced technology, enrichment opportunities, cross grade grouping, independent studies and Pre AP and AP courses.

### **Part-Time Enrollment for Athletics and Extracurricular Activities**

Part-time enrollment is available for full-time homeschool students in 9<sup>th</sup>-12<sup>th</sup> grade. Part-time students must follow school policies while on campus or at school events. Part-time enrollment enables students to participate in athletics and extracurricular activities. Activity fees and prorated tuition will apply.

### **Non-accredited Home School Admissions**

Immanuel Lutheran Christian Academy welcomes enrollment of students who have been home schooled.

Students entering the school who have been home schooled without evidence of participation in nationally standardized achievement assessments may be required to take academic assessments administered by school personnel. The administration shall determine the approved assessment instruments that will be used to implement this policy. Grade and course enrollment will be based upon results of placement tests and/or any other assessment information and/or education records deemed to be relevant by the administration. The decision of the Headmaster, after consultation with the student, parent and staff, will be final and non-appealable.

### **Proficiency Based Promotion**

Students may progress in their educational endeavors by subject, course, and/or grade level based on mastery of the Oklahoma Learner Outcomes and ILCA Learner Outcomes, not on time spent in classes, completion of assignments, or prerequisites. The student who can successfully be moved ahead under Credit for Learning guidelines can demonstrate content knowledge, skills, and application of learning in the core areas regardless of time spent in the classroom. Credit for Learning opportunities will be available for students from grades K-12 in the core content areas of language arts, mathematics, science, social studies, languages, and the arts.

Students or parents who request Credit for Learning will complete an application process and take a criterion-referenced test to measure the priority skills and knowledge relevant to each core course or subject for which credit is desired. If passed at the ninetieth percent or higher level, student applicants may then be required to complete a performance component. That component will be evaluated by selected staff and must meet standards comparable to ninetieth percentile percent performance.

**Upon successful completion of both the criterion and performance components, and after appropriate consultation with parents and staff, a student may be promoted and receive appropriate credit. Credit earned in high school level courses will count toward meeting graduation requirements. Credit will be noted as an A.**

Options for accommodating student needs for advancement after having demonstrated proficiency may include, but are not limited to, the following: individualized instruction, independent study, cross-grade grouping, or grade/course advancement.

Guidelines and application procedures will be available at the school office.

### **Concurrent Enrollment in College**

High School seniors may enroll in college credit courses while attending high school.

Concurrent enrollment courses satisfy graduation requirements at ILCA if approved in advance by administration. Students who choose to concurrently enroll must be able to earn the required credits for graduation by the end of the two classes per semester of ILCA course work.

Students who drop any concurrently enrolled courses must immediately notify administration to be assigned to corresponding high school course credits to maintain fulltime academic status.

To receive credit, a student must submit an official final transcript to ILCA administration for the term he/she is enrolled. The grade(s) earned for the concurrently enrolled course(s) will be the

grade assigned for ILCA. Credits for previous currently enrolled courses must be officially submitted to ILCA office before a student can take additional concurrent enrollment courses. Seniors must earn a minimum of a 19 on the ACT in order to enroll at Tulsa Community College. Students who meet these requirements, or the requirements for admission to another college or university, may participate in concurrent enrollment. Students are responsible for registration, fees, books, transportation, and having transcripts sent to ILCA.

**Note: Full tuition to ILCA must be paid if concurrent enrollment is approved.**

### **High School Credits Earned Prior to High School Entry/Summer School`**

The grade earned by a middle school student taking a high school level course during his/her middle school career or during summer school will be the grade assigned to the course recorded on the high school transcript. Per state law, High School math courses are given elective, rather than subject area credit.

### **Tulsa Technology Center (Vo-tech)**

One and two-year programs in various vocational and technical subjects are offered through the Tulsa Technology Center. Juniors and seniors may attend either the morning (8:00-11:00 a.m.) or the afternoon (12:00-3:00 p.m.) session. Students must arrive on time for afternoon classes if they attend morning Vo-tech classes. Students earn 3.0 credits a semester at Tulsa Technology Center. Students must provide their own transportation. The Tulsa Technology Center student is responsible for the information from ILCA which is missed while attending ILCA and is required to attend class functions on his home campus.

**Note: Full tuition to ILCA must be paid if concurrent enrollment is approved.**

### **Semester Tests, Schedule and Late Work at the End of the Year**

Semester tests are usually given during the last week of each semester. The semester test may be a comprehensive test, depending on the teacher and subject. The test schedule will be announced ahead of time. If absent on a test day, the student must make up the test(s) on the day he/she returns to school. For an excused absence at the end of the school year, the student will have 5 school/business days to make up semester test(s) and turn in any school make up work not completed due to absences. This extension of time must be approved in advance by the administrator.

### **Student Records**

A cumulative folder of student records is kept on file. Parents or guardians may inspect and review any school records dealing with their children. Teachers who need information from a student's cumulative file may consult with the administrator before accessing the file. All student files are kept confidential, unless the college the student is enrolling in or military recruiters request records.

### **Access to Student Records**

The Board of Education assures the following rights of parents and students as stipulated in the Family Educational Rights and Privacy Act (FERPA):

1. The right to inspect and review the student's educational record.
2. The right to request the amendment of educational records to ensure they are not inaccurate or misleading.
3. The right of consent to disclose educational records, except where consent is not required.
4. The right to obtain a copy of the student records policy of the school district.

The **Oklahoma Open Records Act** provides for release of directory information about students to all legitimate parties requesting the information. The school district will release the following as directory information upon request if such information is kept on record: Name, address, phone number, date and place of birth, major field of study, participation in officially recognized activities and sports, dates of attendance, degrees, and awards received, height and weight of athletic team members, most recent previous educational institution attended.

Parents or guardians have the right to exclude directory information from being released. To do so, parents may indicate exemption on the parental agreement form or put their request in writing to administration. A notation will be placed on the record preventing release. This will remain in effect until the parent or eligible student rescinds the request in writing.

### **OK Higher Learning Access Program (OHLAP) Requirements and Qualifications**

The Oklahoma Higher Learning Access Program (OHLAP) has been available since 1992, and it was re-authorized with some modifications by HB 2728. This program provides resident tuition for college courses needed to complete a degree or program within five years from the beginning of the award. 4. Taking a more challenging or required course -no reversal at a later date

## **Attendance**

### **Absence Policy/Procedure**

The following is the policy on absences used by Immanuel Lutheran Christian Academy:

1. Administration is responsible for attendance tracking for the school. Parents should call the office the day the student is absent or is going to be absent from school. If an absence is necessary, a parent should notify the office between 8:15 a.m. and 10:30 a.m.
2. The school staff will attempt to contact the parents of children who are absent and who have not contacted the school by noon.

3. When a child misses five days in a semester, a letter will be sent to the parent to remind them of the importance of regular attendance. When the child misses seven days the Headmaster will contact the parents. After a student's tenth absence per semester an administrative decision will be made to determine if the student receives a passing grade or credit in that class.
4. Absences which do not count as part of the ten are absences with a doctor's statement or administrative approval.
5. All exceptions to this rule must be submitted in writing with documentation for medical reasons or family emergencies by the parent/guardian/ Headmaster. Exceptions will be determined by the Headmaster.
6. Extracurricular activities (piano, karate, gymnastics, etc.) should be scheduled outside of school hours. Children may be dismissed early for medical reasons. Classroom instruction is continuous throughout the day and students will be held accountable for that work.
7. Students with 4 unexcused absences will receive a detention or In-House suspension. The detention will be served at school with teacher supervision and a \$9/hr charge will be assessed to the student's activity account to help pay for supervision.

### **Early Arrival/Dismissal/Late Pickup**

When a parent wishes to take a student out of the school during the instructional day, the parent must come to the office and follow the early dismissal procedure as described below:

1. Parents are to sign out students at the office
2. Parents are not to go directly to the student's classroom, as this disrupts classroom instruction time.
3. Under no circumstances will a student be granted permission to leave the building/grounds unless the school is notified by the parents/guardians or the student is enrolled in an accepted class off site.
4. Parents of students who are 18 or older and who drive may contact the office to give permission for their child to leave during the school day for an appointment or illness.
5. High school students who have not left campus and are not under the supervision of a teacher, coach or parent must leave campus within 20 minutes after school dismissal. Students who have not been picked up will be supervised by the office, and the parents will be charged at the rate of \$5.00 per quarter hour.

### **Tardiness**

Tardies are disruptive to the learning environment and getting the student to school on time is the responsibility of the parent.

Students arriving after school begins must be signed in by the parent. Medical issues or emergencies will be handled individually. The office will be responsible for documenting first hour tardies.

**Chronic Tardiness** (5 per semester) A student that receives their sixth tardy of the semester will be administered a Saturday School (8am-10am) detention. Parents will be notified by school administration prior to the detention. Each additional tardy during the semester will result in an additional Saturday school. A fee of \$10 will be assessed to the parents account. This fee will be used to pay the teacher/staff who is monitoring the detention. Parents who wish to not pay the \$10 fee can monitor their child during the detention. If the student fails to attend their scheduled detention an additional detention will be added. **If a student is unable to attend due to a family issue or is sick, it is the parent's responsibility to inform the school ASAP.** The detention will be rescheduled. Tardies will be erased (start over) at the end of first semester.

Consequences for tardiness after first hour, (throughout the remaining of the school day) will be administered by the classroom teacher. If excessive tardiness is occurring, the student will be referred to the office and be administered a Saturday School.

### **Definition of Tardy**

Middle/High School Students: A student is tardy if not in the classroom when the class is scheduled to start. A student who is more than ten (10) minutes late for class will receive an absence for that class that day. All work assigned during that period will be due as assigned.

### **Truancy**

Students absent without approval of school and parent or not notifying the school when they leave are considered truant. The student will be required to make up work missed during the truancy but will not receive credit for work missed. The Truancy Law for the State of Oklahoma indicates the responsibilities of parents and school administration as follows:

1. Parents must notify the school on those days when their child is absent and explain the reason for the absence.
2. Students who are absent for fifteen (15) or more days or parts of days within a four (4) week period without a valid excuse may be reported to the proper authorities within Tulsa County.

### **Conduct**

#### **Behavior**

Philosophy Statement: We believe in providing a Christian school environment which emphasizes faith in Christ as our personal Savior, promotes learning, and fosters respect for self, property, and others. We work in partnership with families to develop responsible Christian citizens. Standards of conduct and appearance reflect this philosophy.

#### **Damage to School Property**

All school property belongs to Immanuel Lutheran Church or Immanuel Lutheran Christian Academy and is to be used for the benefit of all students. Therefore, when a student intentionally destroys or damages school property, he is personally liable financially and subject to discipline by school authorities.

#### **Student Appearance**

**Note: School dress code policies are in a separate form and must be read and signed by the parent and student.**

Approved uniforms should be purchased from C & J Uniforms, Land's End website, Academy, or French Toast website. Approved uniform shirts must be neat and tucked in at all times (from the time students enter the building each morning until school is dismissed). No insignias, emblems, or printing allowed except school or sports logo. Uniform clothing colors must conform to the ILCA dress code.

All school dress code policies are in effect at school-sponsored events, sporting events, social events, except when free dress is designated. In that instance, clothing which is short, ragged, immodest is still considered inappropriate and cannot be worn.

## **Standards of Conduct**

The Board of Trustees of Immanuel Lutheran Christian Academy adopts the following policy and procedures dealing with student behavior. The school is a Christian community with rules and regulations. Those who enjoy the rights and privileges it provides must also accept the responsibilities that inclusion demands, including respect for and obedience to school rules. When standards of conduct are not followed, appropriate Christian-based consequences will be administered by school staff.

## **Behavioral Standards**

It is impossible to identify all student actions that might require staff administered consequences. Therefore, discipline may be administered for student actions that are, or possibly are not, described in the Board policies or student handbooks.

Similarly, these policies, as well as the regulations included in the student handbooks, should be considered to be general guidelines for the administration of student discipline, not rigid regulations which are automatically applied in all cases. Administrative discretion is encouraged and recommended in individual and/or unique situations. This includes the potential administration of penalties which are less or more than those penalties described in policy books and handbooks.

### **Academic Dishonesty (Cheating/Plagiarism)**

Some students occasionally feel a need to, for various reasons, resort to cheating. Academic dishonesty is defined as giving or receiving aid or information from or to another student during

any test, quiz, or assignment, also to include plagiarism. If a student is caught cheating on tests or other classroom work, “zeros” will be given to the student(s) involved. Further consequences are decided by the administrator according to each situation. No provisions are made to make up or otherwise receive credit for the work or test in question. The teacher will notify the parent of the incident.

If a student’s enrollment is terminated from the school at the approval of the Board of Trustees, no registration or tuition fees will be refunded.

### **Detention**

Detention is a short period of structured time in which the student is supervised by school personnel. Detention may be assigned before or after school, during lunch or on a Saturday morning as determined by staffing. The students assigned are required to come with class assignments and work on these assignments for the duration. They may also have to do school service during this time.

**ZAP (Middle School only)**– Zero’s are not acceptable. Homework not completed results in a detention for the purpose of completion. Additional penalties will occur if non completion becomes chronic.

### **In-school Intervention**

In-school intervention is an optional correctional measure that may be used by the school when deemed appropriate by the Headmaster. It involves assignment for a prescribed course of education as determined by school representatives, and there shall be no grade penalty. In-school Intervention is served during the school day. Students will work on their assignments or may be assigned school service. *Parents may have their child’s activity account debited to pay for a detention or in-school intervention supervisor, if one needs to be hired.*

### **Suspension Defined**

"Suspension" or “out-of-school suspension” is the removal of a student from the daily school environment for a period of time decided by school administration.

### **Suspension or Expulsion Conferences**

When a student violates Board policy or a school regulation or has been adjudicated as a delinquent for an offense that is not a violent offense (as set out in OS Title 57, Section 571) the Headmaster will conduct an informal conference with the student and /or parent. At the conference with the student, the Headmaster will review the policy, rule or regulation which the student is charged with having violated and will discuss the conduct of the student which is a violation of the policy, rule or regulation.

The student will be given an opportunity to explain and discuss his conduct.

If it is concluded that an out-of-school suspension or expulsion is appropriate, the student will be advised that he is being suspended and the length of the out-of-school suspension.

The Headmaster will immediately notify the parent that the student is being suspended out of school or expelled and removed from enrollment.

### **Emergency Suspension or Expulsion Conference**

A student may be suspended out of school without the above pre-out-of-school suspension conference with the student in situations where the conduct of the student reasonably indicates

to the Headmaster that the continued presence of the student in the building will constitute an immediate danger to the health or safety of the students, or a continued substantial disruption of the educational process.

In such cases, an out-of-school suspension conference with the student and the parent or guardian will be scheduled as soon as possible after the student has been removed from the building.

### **Post-conference**

The Headmaster will seek to hold a conference with the parent or guardian and student after the out-of-school suspension has been imposed to discuss the child's future status at Immanuel Lutheran Christian Academy.

The Headmaster may take previous conduct and previous disciplinary actions and out-of-school suspensions into consideration. The Headmaster's decision is final.

Students who are suspended will be required to turn in missed work upon their return. Assignments can be accessed on Renweb, and more time to turn in work may be given by the teacher or Headmaster, depending on the circumstances of the suspension and behavior record of the student.

The parent or guardian shall be responsible for provision of a supervised, structured environment in which the parent or guardian shall place the student. The parent or guardian shall bear responsibility for monitoring the student's educational and behavioral progress until the student is readmitted into school. All consequences must be completed in order for the student to return.

### **Student Restrictions During Disciplinary Actions**

Participation in the extracurricular activities of the school is a privilege and not a right. Accordingly, when a student's behavior results in a determination by the Headmaster of an out-of-school suspension or in-school intervention, the student immediately forfeits the privilege of participating in all extracurricular activities of the school during that time. *Athletes may be required to sit on the team bench in street clothes, dependent on coach and administrator approval.*

"Extracurricular activities" includes, but is not limited to, all school sponsored teams, clubs, organizations, ceremonies, student government, band, orchestra, vocal music groups, athletics, field trips and all other school sponsored activities and organizations.

The administration may also choose to restrict students from extra-curriculum activities as appropriate discipline in various situations.

### **Gun-Free Student Expulsion Policy**

It is the policy of Immanuel Lutheran Christian Academy that any student who is determined to have brought a firearm to school shall be immediately expelled.

Any expulsion imposed under this policy may be modified for any student on a case-by-case basis by the Headmaster.

The term "determined to have brought a weapon to school" means any student being in possession or control of a firearm on property owned, leased or rented by the school or church, including, but not limited to, school buildings, parking lots, and motor vehicles and any student

who is in possession or control of a firearm at any school sponsored function regardless of whether such function is conducted on school or church property.

It is the policy of Immanuel Lutheran Christian Academy to refer to the appropriate criminal justice or juvenile delinquency system any student who violates this policy. Any firearm seized from a student by any school employee shall immediately be delivered to a law enforcement authorities for disposition pursuant to applicable law.

### **Weapons Policy**

In order to provide a safe environment for the students and staff of Immanuel Lutheran Christian Academy, the Board of Trustees adopts this policy prohibiting the possession and/or use of dangerous weapons, or replicas or facsimiles of dangerous weapons.

For the foregoing reasons and except as specifically provided, possession by any student of a dangerous weapon, as that term is defined in this policy, or a replica or facsimile of a dangerous weapon, while on school/church property, at a school sponsored activity or on a school/church vehicle, is prohibited. Further, use of any item or instrumentality by a student to threaten harm to any person or which is used to harm any person, while on school property, at a school sponsored activity, or on a school/church vehicle is prohibited.

For purposes of this policy, "possession of a dangerous weapon" includes, but is not limited to, any person having a dangerous weapon: (1) on his person; (2) in his locker; (3) held by another person for his benefit; or (4) at any place on school/church property, a school/church vehicle, or at a school activity.

A dangerous weapon includes, but is not limited to, a pistol, revolver, rifle, shotgun, air gun, or spring gun, BB gun, hand grenade, fireworks, slingshot, bludgeon, blackjack, brass knuckles or artificial knuckles of any kind, nun-chucks, dagger, bowie knife, dirk knife, butterfly knife, shotgun shell knife, any knife, regardless of the length or sharpness of the blade, any knife the blade of which can be opened by a flick of a button or pressure on the handle, any pocket knife, regardless of the length or sharpness of the blade, any pen knife, credit card knife, laser light, garrote, razor, dart, ice pick, explosive smoke bomb, incendiary device, sword cane, hand chains, firearm shells, or bullets and any replica or facsimiles of any of the foregoing items, or any item or instrumentality which is used to threaten harm or is used to harm any person. The foregoing list of "dangerous weapons" is descriptive and by way of example only and is not to be considered an exclusive or limiting list of dangerous weapons.

Any student determined to be in possession of a dangerous weapon, in violation of this policy or who uses any item or instrumentality to threaten harm to any person or is used to harm any person will be immediately expelled.

If a teacher or other school employee has a reasonable suspicion to believe that a student is in possession of a dangerous weapon, or a replica or facsimile of a dangerous weapon, the teacher or employee shall immediately investigate the matter and shall confiscate any such weapon found if this can be accomplished without placing any students or staff in jeopardy, and shall immediately notify building security or Administration. If the teacher or employee does not believe that the weapon can be confiscated safely, the teacher or employee shall immediately notify building security, Headmaster or his designee of the situation.

If the Headmaster or his designee learns that a student is believed to be in possession of a dangerous weapon or replica or facsimile thereof, the Headmaster or designee shall observe the following procedure:

1. Immediately investigate the matter and contact the police, if appropriate.
2. If not already confiscated by an employee of the school and if it can be accomplished without risk of injury, the Headmaster or designee should take possession of the dangerous weapon or replica or facsimile.
3. Notify building security
4. Notify the student's parents.
5. Cooperate fully with the police.
6. Transfer confiscated weapon to the police department, if feasible.

A student who has been suspended or expelled from another school because of the possession of a dangerous weapon, or replica or facsimile of a dangerous weapon, shall not be accepted as a student at Immanuel Lutheran Christian Academy.

An exception to this policy may be granted for students participating in an authorized curricular or extracurricular activity or team involving the use or demonstration of a dangerous weapon, or replica or facsimile of a dangerous weapon. For this exception, prior approval by the Headmaster is required. If approved, the weapon is to be secured and kept in a secure place in the office or designated area with adult supervision.

A student's inadvertent or unintentional possession of a dangerous weapon or replica or facsimile thereof on school property, school vehicle, or at a school activity is no defense or excuse to compliance with this policy, but may be considered in determining the severity or length of the consequence.

A student's previous discipline reports, student's history, parent and teacher input, and other relevant circumstances may be considered in determining disciplinary consequences.

**Regardless of Oklahoma's concealed weapon law, schools and private businesses are exempt. No weapons are allowed on campus, except for those owed by security officers or approved by administration and the Facilities Manager.**

### **Mace or Pepper Gas**

No personal protection sprays are allowed at school. Possession of these will result in appropriate school discipline.

### **Confiscated Property**

#### **Advertising or Sales**

The school will not approve any attempts by outside agencies, profit or non-profit, to exploit students of the school through the use of advertising or fundraising campaigns. It should be understood that some advertising and sales, when in connection with school-related activities, can be beneficial to the school and its students. Therefore, advertising and book sales may be permitted in the school if they are directly related to approved school clubs, curriculum, or related activities that benefit students. All school sponsored fund-raising projects will be considered permissible.

Other screening activities may include: review of records and educational history, interviews, observations, and specially developed readiness or educational screening instruments. The local schools provide assistance and consultation to Immanuel Lutheran Christian Academy in these efforts.

#### **Cost of School Supplies**

Most school supplies and all textbooks and workbooks are purchased for students through the supply fee. Occasionally specialized materials may need to be purchased by parents or fees may be charged for specialized curriculum, i.e., technology. High school students need to provide the appropriate teacher-recommended school supplies.

### **Work Permits**

Students under the age of 18 are required by state law (under certain circumstances) to have a work permit. If their employer requires them to have a work permit, the application for a work permit (Form No. 600) may be obtained from the office. Students should complete the form as instructed and return it along with a copy of the student's birth certificate to the office, who will then process the application.

### **Custodial and Non-custodial Parental Rights**

It is a policy of the Board of Trustees that a parent who is awarded legal custody of a child by court action shall file a copy of the current court decree awarding such custody with the school. If the custodial parent does not wish the child to be released to the noncustodial parent, an appropriate written instruction should be filed with the school. Absent a court decree to the contrary, both natural parents have the right to view the student's school records; to receive school progress reports; to visit the child briefly at school; and to participate in parent teacher conferences.

### **Court Decrees/Orders**

Any court orders involving a student or a school family must be filed with the school before enforcement can be implemented.

ILCA administration will not put its staff in any danger regarding court orders/decrees. School security may be called in to assist in these situations.

### **Delivery of Flowers, Gifts, Balloons, Etc.**

Sending items to students at school is often a disruption and can cause problems between students. Items should not be delivered to school. If items are delivered, the items will not be delivered to students in classrooms. The student will be notified and can view them in the office and claim them after school.

### **Crisis Management**

Crisis Management procedures for all emergencies can be found in the Crisis Management Handbook located on the school website.

Drills to practice crisis procedures will be conducted according to Oklahoma Department of Education Accreditation Standards.

### **Distribution by Students of Written Materials in School Facilities**

Any materials or fliers outside of school-produced materials must have prior approval from the Headmaster or designee before distribution.

### **Electronic Wireless Telecommunication Devices**

1. Students are prohibited from possessing wireless communication devices during school hours. For safety reasons, students may possess wireless communication devices before and/or after school.
2. During school hours, personal wireless devices may be in a student's car or locker, but not on a student's person, including, but not limited to purses, pockets, and backpacks. In order to

avoid any disruption of the educational process, all wireless communication devices placed in a locker must be turned off.

3. A principal or administrator must approve exceptions to this policy. A violation of any part of this policy may result in the wireless communication devices being confiscated by the administration. The confiscated device must be picked up by the parent or guardian and will not be released to the student. In addition, the student may be subject to further discipline.

### **Extra-Curricular Participation**

To be eligible to participate in any extracurricular activity, a student must read and sign a contract acknowledging his/her understanding of ILCA's policies concerning the possession or use of tobacco, alcohol and other illegal drugs, and agree to be bound by the violation provisions.

Such trips may also include those which involve specific grade levels, fine arts, or physical education departments for special performances or points of interest outside of the surrounding area which relate to specific units of study. Activity accounts will be debited for public school transportation costs and registration or entry fees related to the filed trip. Students are expected to attend all field trips, and some trips related to curriculum may have a grade attached to attendance.

Procedures must be followed which include administration approval and signed parent permission. Students without signed or approved verbal permission will remain at school. Students will be transported by church vans or commercial or school, insured buses whenever possible.

All discipline policies will be observed during field trips. Students are expected to follow bus safety rules and be respectful to others while being transported to and from the field trip destination.

Parents attending field trips will be expected to follow the guidelines provided. Parent Drivers will be required to provide proof of valid driver's license and liability insurance to the office. *Students will not be allowed to transport themselves or others without prior approval from the Headmaster.*

2. Evidence of valid auto insurance.
3. Proof of current insurance registration – Current car tag.

A student who drives or parks a vehicle on school property will be responsible for what is in the vehicle regardless of who owns title to the vehicle, who has been driving the vehicle, or who has been riding in the vehicle.

Students who drive recklessly in school lots or who do not follow the posted speed limit signs will lose parking privileges. Students who leave campus without permission may lose parking privileges.

ILCA has a closed campus during the lunch period. High school students are not allowed to leave campus to eat lunch unless under the supervision of staff or checked out by a parent or other person named by the parent.

## **Lockers**

Students will be assigned a building locker and a combination lock. A student should use only the locker assigned to him. Any student needing assistance with a locker should ask his teacher. Periodic locker checks will be made throughout the year. The lock and the locker are school property and may be inspected or searched at any time without prior notification to the student. Students are never to leave valuables in desks, unlocked lockers or rooms. Lost or stolen articles are not the responsibility of the school. Lost locks have to be replaced and paid for by the student.

## **Lost and Found Books and Personal Items**

Books that have been lost or damaged must be paid for in full. Students will assess the condition of their books when books are distributed. This record will be used to determine damages. Students should keep their receipt in case a lost book is found.

Students who have lost personal or school-owned articles should check at the office. Students finding articles in or around the school are encouraged to bring them to the office.

Students are responsible for checking with the office for all “forgotten items” (lunch money, lunches, etc.) brought to school during the school day.

Articles not claimed will be given to a charitable organization after a reasonable period of time.

### **Lunch Periods**

Students should stay in the cafeteria during the lunch period unless the teacher has made special arrangements to allow students to come to the room for lunch and be supervised by that teacher. No student should leave the cafeteria without permission.

Parents are asked to refrain from bringing fast food lunches to their students for lunch. However, parents may check out their student to go to lunch at any time.

Students whose parents check them out for lunch need to be aware that they have thirty (30) minutes for lunch. Students signing in after their allotted lunch time will receive an unexcused tardy to class.

### **Media Center**

The school library media program seeks to meet the following objectives in material selection.

1. To provide materials for students, staff and parents that will support the schools mission of nurturing their Christian faith.

All accounts will be funded through FACTS (Hot Lunch, Extended Care, Activity Fees, Athletic Fees and Tuition)

### **Notification of Threat to Self or Others**

A parent/guardian will be notified any time a student discloses or is suspected of suicidal intentions or of causing harm to others. Trained school staff will meet as soon as possible with the student to make an assessment concerning the severity of the situation and to provide information to the student's parent/guardian. In order to ensure the safety of the student and other students, the team or administration may advise the parents to seek assistance outside of school. A list of agencies and emergency numbers will be made available. The school is not responsible for providing these services.

The failure of parents to provide professional support may result in the student not being able to return to school until his safety or the safety of others is assured and documentation from a health care assessment provided.

### **Parent/Guardian Concerns**

The Board of Trustees recognizes that situations of concern to parents/guardians or the public may arise in the operation of the school. The purpose of this procedure is to secure a resolution

for concerns at the lowest possible level. Such concerns are best resolved through communication with the appropriate staff members and officers of the school, such as the faculty and the Headmaster.

The following steps are procedures recommended by the Board to be followed by persons with questions or concerns regarding the operation of the school.

Matters concerning individual students and their teachers should first be addressed with the teacher.

Unsettled matters from (2) above, or problems and questions concerning the school should be directed to the Board of Trustees through a written letter to the Board President.

### **Leaving Campus**

All requests to leave campus while school is in session must be cleared through the office. To sign a student out of school during the school day, a parent/guardian must come to the office. Leaving school without permission is classified as truancy. If a student leaves school grounds without permission, parents and police will be notified. This policy also applies to students staying after school for a school or church event. Parents of high school students with the privilege to drive are required to notify the office prior to their student leaving for an appointment. The student needs to provide documentation (doctor's note, etc) to the office upon return to school.

School personnel all have access to desks and other school property and equipment in order to supervise the welfare of students properly. School personnel may utilize trained search dogs on school premises. School lockers, desks and other areas of school facilities may be opened and examined by school officials at any time and no reason shall be necessary for such search. This policy is in keeping with the spirit and intent of various federal guidelines which address the issue of fair employment practices, ethical standards, and enforcement procedures.

All complaints of sexual harassment will be fully investigated, reported to the Board, and dealt with according to federal and state law and Board policy. Confidentiality of parties involved in the investigation will be protected as much as possible.

Requests may be required in writing and delivered to the Headmaster at least forty-eight (48) hours prior to visiting the classroom at the discretion of the Headmaster.

Observations may occur within the following guidelines:

An administrator may require that the parents/guardians be accompanied by school personnel;

Observations will not be scheduled during achievement testing or any other activity that could be disrupted by the presence of visitors;

No recording equipment or cameras will be permitted in the classroom during an observation of the instructional process unless prior permission is given by the administrator and all other parents are informed.

## **Visitors**

To ensure the safety of students, all visitors must check in at the office and wear a badge. When a request is made by a non-parent/guardian to visit on campus during the school day, it is the discretion of the administration whether or not to grant permission. Student visitors will not be permitted on school grounds unless approved by an administrator.

## **Classroom Visitation by Others**

Immanuel Lutheran Christian Academy also permits others with a legitimate educational reason to observe in a school or classroom. Examples of this group might be visiting educators, intern teachers, education students, or prospective enrollees.

Further, Immanuel Lutheran Christian Academy may also permit observation of a specific student by a non-school affiliated professional with a legitimate educational reason to conduct an

observation. Examples of this group might include a social worker or psychologist. The person wishing to observe must first complete a request form. These forms are located in the office. The school will also require a written authorization from the child's parent or guardian or a court order.

The Headmaster will make the final decision whether to grant or deny a request or seek additional information. The Headmaster may limit or deny subsequent observations if, in the Headmaster's discretion, the observations are or may become detrimental to the educational process.

### **Withdrawals or Transfers**

When it is necessary for a student to withdraw or transfer from Immanuel Lutheran Christian Academy, the following steps must be taken:

The parent or guardian will need to notify the school office in advance of the date of withdrawal

A written statement by the custodial parent which states the student's last day of attendance at Immanuel Lutheran Christian Academy and the name of the new school and location town will need to be presented to the office.

The grading policy for withdrawal grades is as follows:

The grade will be based upon performance from the beginning of the semester to the date of withdrawal.

A student must be in attendance two (2) weeks in the semester to receive a grade.

All books and materials must be returned or paid for before withdrawal can be completed.

All tuition, fees and fines are to be paid before records will be sent.

A copy of the withdrawal form and the health record may be picked up by a parent at the school office.

If copies of school records are needed, parents are to notify the office at least three (3) days prior to withdrawal.

### **Medication at School**

All medication taken at school including over the counter medications must be kept in the school office, regardless of the student's age. This is for the safety of all students. If possible, parents are advised to give medication at home on a schedule other than during school hours. If it is necessary that a medication be given during school hours, these regulations must be followed:

A "Request to Give Medication" form must be completed and signed by the parent or guardian on each prescription and nonprescription medication to be given at school and kept on file in the school office. The parent or guardian must deliver the medication to the office and complete the above-mentioned form.

Prescription and/or nonprescription medicine must be brought to the office in its original container with the original label intact. Prescription medication will be given only if the student's name is on the original label and only in the dosage listed. Dosage changes must be approved by the child's physician in writing. Expired medications will not be administered. Original prescription bottles will be sent home with the student when empty unless the parent requests otherwise. If a student forgets his medication, the school will contact that student's teacher to remind him.

If a student is not given medication as prescribed at home, and the lack of medication results in the student's inability to function or the classroom is disrupted, the parent will be called to bring medication or to take the student home. If the parent cannot or will not pick up the student, school personnel will take the student to the parent's work place.

Parents may be asked to keep a few doses of medicine at school.

Medication will not be sent home with the student: (Any remaining medication from prescription change, etc.) must be picked up by a parent or guardian. Exceptions to this policy will be made at the discretion of the administration. All medication not picked up by the last day of school will be discarded.

Asthmatic medication: all inhalers should be kept in the office. If a student must carry an inhaler, a written doctor's order must be on file in the office. We strongly suggest the parent supply the school with a backup inhaler should the student misplace or forget their inhaler. The teacher cannot be responsible for the inhaler the student carries.

Acetaminophen and Ibuprofen: Acetaminophen (Tylenol) and Ibuprofen (Advil, Motrin, etc.) are available upon request by students if parent permission is given

Aspirin: Aspirin is not offered at school and is not recommended for persons under twenty-one (21) years of age. If a student's doctor advises aspirin for specific conditions, the school will administer the aspirin as directed upon receiving the doctor's written order.

This medication policy has been established to maintain the safety of all students. It promotes responsible and reliable medication schedules. It recognizes special needs with flexibility and includes accountability of the parent, student, and physician. The school urges the parents and/or physician to contact them if there are any questions or concerns.

### **Immunizations**

All students are required to have complete immunization records on file in the office. These records must be kept in compliance with Oklahoma State Immunization Law. If a student is "in process" and has not completed these immunizations, he will be allowed to attend school. However, the parent is required to present a schedule for completion of the required immunizations that has been signed by a licensed physician or public health authority. If the school does not receive a schedule from the parent, the school will go by the Health Department's immunization schedule. The schedule must be followed or the student will be suspended from school until medical documentation shows compliance. If parents want exemption from immunization requirements due to established and recognized religious reasons, a waiver form must be obtained from the office, completed and kept in the student's cumulative file.

### **Illness at School**

Students should go to the office to request permission to call home. The office administration will determine if a student is to be sent home due to illness, and in all cases will notify the parents.

Students with temperatures of 100.4 F or above, head lice, rash, diarrhea, vomiting, conjunctivitis (inflammation or infection of the mucous membrane surrounding the eye), or ringworm must be sent home. Students must be symptom-free and fever-free for twenty-four (24) hours, or have a doctor note before returning to school.

A student who vomits during the evening should not be sent to school the next day.

Parents are to transport students who become ill at school.

Parents are requested to report any contagious health condition to the office.

Students needing immediate medical attention will be transported to Family Medical Associates if parents/guardian cannot be reached unless other instructions are included on the minor emergency form.

### **Head Lice Procedures**

Suspected cases of head lice are to be reported to the office. Head lice are contagious and will not disappear without treatment.

No student will be admitted to class who has nits or lice regardless of the number of treatments or measures which have been taken.

### **Pink Eye**

Parents of students exhibiting pink eye will be asked to take their child to a doctor for diagnosis and to keep them home for at least 24 hours. Upon return, the parent must produce a doctors' note.

### **Homework/Makeup Work**

Older students should write daily assignments in their assignment notebook. Homework is used primarily for reinforcement, make up and/or completion of unfinished classroom assignments. Parents and students are encouraged to use Renweb to obtain teacher lesson plans. Homework and make-up work is the student's responsibility.

Absentee homework: If a student is absent two (2) or more days, parents can request make-up work from the teacher. Twenty-four (24) hours should be allowed after the request is made for the teachers to write out the assignments, or in the event of teacher time related conflict, as soon as possible.

Students with an excused absence will have at least the same number of days to make up work as days they were absent. It is the student's responsibility to make arrangements for any make-up work.

A student who is truant will be required to make up work at reduced or no credit.

### **Behavior at School Events**

1. Guests will be expected to adhere to the ILCA standards in appearance and behavior.
2. No loitering will be allowed around the outside or inside of the building in which the activity is held.
3. Any student at the activity not conducting himself/herself in a proper manner, as interpreted by the chaperones, will be asked to leave.
4. Students are not to use tobacco of any form at school activities at any time, whether on or off campus.
5. Students are not to abuse the building or its furnishings in which the activity is held. Any student expense incurred as a result of defacing of property will be assessed to the student responsible for the damage.
6. A student may not leave and return to an activity. If a student leaves, further attendance is terminated.
7. All ILCA students, whether participating in or attending any activity, should demonstrate sportsmanlike and respectful behavior at all times. Vulgar, profane or otherwise inappropriate actions or remarks will not be tolerated. Examples of unsportsmanlike conduct might include taunting, harassing, verbally abusing or maligning the opposing school (team, band, cheerleaders, pom squad, etc.), game officials or fans.
8. Behavior during concerts, and plays should be beyond reproach. A respectful audience refrains from any behavior that would take away from the performance.
  - a. Cell phones should be silenced during performances.

- b. Feet should be on the floor and never on the seats.
- c. Food and drink are not allowed.
- d. The audience should not leave and re-enter during the performance.
- e. Conversations should be held during breaks and not during the performance.

Failure to follow these guidelines may result in the student being removed from the activity without refund.

Administrative discretion will be utilized in the determination of appropriate appearance or behavior, and the administrator's decision will be final.

## Athlete Information

### **Participation**

Participation in athletics at Immanuel Lutheran Christian Academy (ILCA) is a privilege. When an athlete behaves in a God-pleasing manner, (s)he earns the privilege to participate. Each athlete, by example, touches the lives of everyone, from teammates and coaches to the spectators.

All students participating in competitive athletics at ILCA are required to provide proof of a recent medical physical before the first practice. Athletes not meeting this requirement will not be allowed to practice or participate in the sport.

All students participating in athletics at ILCA are expected to attend all practices and games unless excused by the coach. Athletes playing at ILCA may also play with other independent organizations such as club teams, as long as it does not conflict with ILCA's practices or games. Students may, in some cases be excused from practices to be allowed to play in a game or tournament with another organization, but only with permission from the ILCA athletic director.

Coaches have the right to handle all unexcused absences in the following way:

1. The first unexcused absence will result in a half-game suspension.
2. The second unexcused absence will result in one full-game suspension.
3. The third unexcused absence will result in a one full-game suspension, and possible team suspension. The principal, athletic director, and coach will rule on the possible suspension from the team.

Any student who misses 1/2 of the school day will not be allowed to practice or play in a game on that day, unless the principal, athletic director, and coach rule that they may. (This may be considered in the event of excused absences such as doctor appointments or funerals when prearrangements have been made with the coach or when ill before a tournament.)

All absences must be documented by a written note from the parents and presented to the coach or athletic director before the next practice or game, whichever occurs first.

### **Athletic Injuries**

The Immanuel Lutheran Christian Academy does not assume responsibility for any athletic injuries to students. Any student participating in athletics must sign an insurance waiver and produce the required health documentation to participate in sports. Accident insurance which also applies to athletic activities is carried by the school.

## **Eligibility**

Academic studies are regarded as a priority before athletics. If a student works hard in the classroom, (s)he is more likely to work hard as an athlete. To uphold high academic standards, student athletes' eligibility will be evaluated weekly. If a student earns a grade of an F or D in any subject, (s)he will be considered academically ineligible for one week and participation in all games and scrimmages will halt immediately. The athlete will be allowed to practice. After that time, eligibility will be re-evaluated on a schedule set forth by ILCA, and if grades have been raised to the stated requirements, the athlete may resume participation. **If a student is ineligible 5 times during any season, (s) he will be removed from the team. If a student is ineligible 3 times in a row, (s)he will be removed from the team.** If an athlete has an incomplete on their report card, (s)he is ineligible for athletics until those assignments that are missing are turned into the appropriate teacher and graded.

Any students who do not meet the academic requirements listed above may be allowed to participate in extracurricular activities if (s)he has been referred for a special educational need and is working to potential according to the accommodations provided by the school. The principal, teachers, athletic director will make this decision.

## **Code of Conduct**

All athletes must have on file with the athletic director a signed copy of ILCA's Code of Conduct. One form is valid for the entire school year. This form needs to be turned in before the athlete will be allowed to practice or play in any games.

## **Athletic Fee**

An athletic fee will be set for each sport and will have to be paid before the athlete will be allowed to participate in any game. This fee helps to defray the costs of entry fees, equipment, uniforms, and referee compensation, and cannot be taken out of the student activity account.

## **Suspensions**

Any game suspensions that an athlete must serve will be served sitting on the team's bench at the next scheduled game, including tournaments. If the athlete does not attend the next scheduled game, that game does not count as his or her suspension and will take place at the next scheduled game. The athlete is still allowed to attend and participate in practices before the game as approved by the athletic director, coach, and/or headmaster.

### **SUSPENSIONS CAN BE ASSIGNED FOR THE FOLLOWING REASONS:**

1. Earning detention, in house detention, or suspension during the school year.
2. Having unexcused absences from games or practices.
3. Infractions of school rules as stated in the ILCA Student Handbook.
4. Ineligibility.

## **Insurance for Athletes**

Immanuel Lutheran Christian Academy Board of Trustees does not assume responsibility for any athletic injuries to students. Accident insurance is carried by the school for out-of-pocket expenses after primary insurance has paid.

## **Activities**

### **Participation**

This includes academic standing, ninety percent attendance, and proper attire and conduct.

Failure to do so may result in removal from that activity or disqualification from being eligible to receive any organizational or school honor. Students who are suspended or in In-House will not be allowed to participate in school activities for the period of the suspension. When a student's behavior results in disciplinary action, he may lose participation rights in some or all activities.

Students must be in attendance one-half of the school day to participate in after-school activities.

In case of conflicting activities, performance takes precedence over practice. Some organizations have rules and regulations in addition to those in the Immanuel Lutheran Christian Academy Handbook.

Students not given permission to view the movie, or who have not returned the signed permission slip by the day of the showing of the movie will be allowed to spend that time supervised in another classroom. All movies, video, DVDs shown at ILCA must be rated "PG-13". Exceptions may be made by approval of the Headmaster concerning the content and/or necessity of the film for educational purposes.

### **Special Permission to Leave Class**
