CRUSADER CHRONICLES

Early Registration— February 2 through February 12

Check those back packs and lockers. Today the re-enrollment packets were given to the students. Registration by February 12 gives you a 1/2 off discount on the enrollment fee. This year you can receive a \$500 discount on your tuition for every family that enrolls students at ILCA that have been referred by you.

Drop Off

If you need to come in the building before or after school while picking up or dropping off your child (ren), please make sure to park in a space and don't leave your car in the drop off/pick up zone. Thanks so much for your consideration.

After School Care

For the parents who have their children in aftercare, please look on the Main Building door for a sign to let you know if the students are in the gymnasium, on the playground or in the Annex. We are trying to keep everyone informed so it will be easier to pick up your child.

ILCA App

In an effort to keep you up to date on all of the activities, we want to stress the importance of installing the ILCA app on your phone or the phones of any grandparents or relatives who pick up your children. You can search for ILCA at the Play Store for android phones or the APP Store on Apple phones.

Painting Party

If you have Volunteer Hours you need to complete or would just like to help out, we will start painting the Main Building Hallways on Saturday, February 10 at 9:00 a.m. Please contact Mr. Zehnder for more information.
