CRUSADER CHRONICLES

Have you checked your FACTS?

The school year is quickly coming to a close and it's time to catch up on all balances in your FACTS account. Payment on all negative balances in activity, lunch and before/after care accounts is due by April 30th. If you have any questions, please contact the school office.

BBL is AOK

Did you know more and more research is becoming available concerning the teaching theory called Brain Based Learning? Knowing how the brain works best allows educators to create an environment that gives the student a higher probability of success in learning. Part of that is understanding students have different learning styles.

50% are visual learners and prefer pictures, charts and written text

30% are kinesthetic learners and need more tactile (hands-on) and movement-based activities

20% are auditory learners and do best when they talk about what they are learning

We have been very successful in our early elementary grades using BBL. If you are interested in learning more, please read this article www.edutopia.org/article/teach-kids-when-theyre-ready. A hand-out about Using the Principles of Brain-Based Learning in the Classroom is also available in the school office.

Middle School/High School Athletic Banquet

The ILCA annual athletic banquet will be held this Friday evening, April 27th, at 6 PM for Crusader athletes and their families. We will be honoring 58 Middle School and High School athletes. Dress will be business casual. (khakis, slacks, polos, button ups, skirts, dresses, etc)

Talent Show Auditions

Any students who want to show off their talent in ILCA's annual talent show need to sign-up in the office. Auditions will be held on Thursday, May 3 at 3:15, in the music room.
