

# CRUSADER CHRONICLES

## Message from Mr. Zehnder

We have an epidemic of first hour tardiness at ILCA. This interrupts the educational process when students arrive late and interrupt instruction. Please make a greater effort to get your children to school on time. Students in MS/HS are given (graced) 5 first hour tardy's per semester. On the sixth tardy, they will receive a Saturday school and an additional Saturday school for each tardy after the sixth. We start over at second semester. Please check the handbook for clarification.

Secondly, field trips are an educational tool we use at ILCA. Students are not permitted to go home because they do not want to attend. If they are missing a field trip, (or school for that matter), it needs to be for a valid reason. Thank you for supporting the educational process at ILCA.

## Crusader Car Decals

We have car decals in the office you can purchase for \$3.00 or 2 for \$5.00. Come by and check them out.
