

## CRUSADER CHRONICLES

### THANKFUL FOR FANS

Dear Parents,

I want to thank you for all the support and encouragement you gave our high school basketball players this season, particularly late in the year. It was incredible to watch our school and community come together and get behind our athletes during our exciting run to and in the state tournament. Thank you also for the energy, enthusiasm and intensity you brought as we filled the bleachers to max capacity during our boys' semi-final game. It was awesome to have some loud fans who were really into the game! The end of the basketball season was a big and positive step in the right direction for our school.

Even if you were unable to make it to any games or sporting events this year, know that our school and athletic programs are building momentum. We have solid coaches who are in the process of taking their respective programs and ultimately our school to the next level. As our athletes and families continue to buy in to what we are doing, we will begin to experience more and more success similar to what we have already accomplished this year. The CRUade is on!

God's blessings to you and go Cru!

Whatever you do, work at it with all your heart, as though working for the Lord and not for men.
