ACCREDITATION VISIT

We will be hosting a team of teacher and administrators next Monday, Tuesday and Wednesday for National Lutheran School Accreditation. NLSA serves as the accrediting body for Lutheran Church – Missouri Synod schools across the United States and the world. NLSA has been accrediting schools in the LCMS since 1978, and accreditation decisions have always been based upon a school's compliance with national standards for Lutheran schools that reflect the essential qualities that are expected of all Lutheran schools.

National Lutheran School Accreditation encourages, assists, and recognizes schools that provide quality Christian education and engage in continuous improvement. The Evidence Based Accreditation (EBA) process allows for the fulfillment this mission effectively thereby providing a valuable service to Lutheran schools.

Please greet our guests if you see them around the school hallways or in classrooms.
