

CRUSADER CHRONICLES

COIN CHAOS APRIL 1—12

We have a fun contest coming up next week. Each class has 2 weeks to collect as many pennies as they can.

However, there is a catch – Silver Sabotage!

Classes can slow each other down by tossing silver coins into the collection canisters. The value of silver coins subtracts from the penny total. For example, if a class canister has 50 pennies and 2 dimes, their collection total is 30 pennies. (\$.50 - \$.20 = \$.30)

Change bills into change.

You can put paper money in the collection containers. \$1 bills will be converted to pennies. All other denominations will be converted to silver. OR trade paper money for coins of your choice in the school office.

Help us reach our GOAL!

MidFirst Bank will match \$1000 and donate it to our school!

Win a yummy prize!

The class with the highest penny count, after silver subtraction, will win 2 pounds of chocolate coins.

SEUSSICAL JR.

The students are practicing hard on the Seussical Musical and are working to be ready for the opening on Friday, April 26. There will be two showings— Friday evening 7:00 pm and Sunday afternoon 2:00 pm. Tickets are available in the school office Adults—\$10; Students \$8.

JOKE OF THE WEEK

We asked the second and third grade students to submit a joke. The winner this week was submitted by Adrienne Hovanec (2nd grade).

KID'S JOKE OF THE WEEK!!

What do you call a shoe made out of bananas?

A slipper
