

Immanuel Basketball!

Never Settle

Philippians 3:12-14

March 14, 2019

Dear Parents,

The 2018-2019 basketball season has reached its conclusion. We are officially in a critical point in the development process – the offseason.

If your son plans to participate in basketball at Immanuel during the 2019-2020 school year, it is ***imperative*** that he attends basketball camp at Immanuel this summer.

Immanuel's High School Summer Hoops Sessions will be conducted June 10-14 from 8:00 AM – 11:00 AM. These dates and times have been arranged to work around the summer camp at Immanuel. Please check out the accompanying flyer for information regarding the specifics of the camp offered at Immanuel.

The emphasis in every camp session is on fundamental skill development, but players will also learn the basic offenses and defenses that will be used during the upcoming season.

Please realize that Immanuel's basketball camps are not “glorified daycare” or just another summer activity. Your son should have an interest in playing basketball and be planning on going out for the sport at Immanuel.

TEAMS are made in the winter. Players are made in the summer. The time for individual improvement is all the time, but during the summer, each player needs to concentrate on making his own game better.

In December, January, February and March, *everybody* is interested in playing basketball and playing time. Doing basketball in the summer will not guarantee playing time in the winter, but it will help players be ready to play during those exciting hoop months.

Taylor Mueller

Basketball Coach / Camp Director
