VOLLEYBALL

We want to congratulate our Volleyball Teams for their winning records so far this year. The high school girls are 3-5 and middle school girls are 4-0. Thanks also to coach Krystal August and assistant coach Brittany Cryer. Go Cru!!!

FUTURE EVENT

Did you know ILCA PTL hosts an annual Chili Supper and Auction, an evening of celebration to support our school community, in February.

We invite you and those who support our community to contribute an item(s) or monetary donation for the Auction. We truly appreciate your generosity!

During the next few months, we will have a collection drive. You may drop off purchased or items donated by a business, cash or checks in the school office.

If you have large items or experiences you would like to donate to our Silent or Live auction, please contact Stacey Long (slong@icaba.org). These premium items may include vacation home destinations, tickets to sporting events, airline miles, spa products and services, unique experiences, original artwork, etc. Feel free to be creative! Everything supports our school community. The auction committee would also love an introduction to people and businesses you know who want to support a total educational experience by donating an item, service or experience.

Thank you for continuing to make our school community a wonderful place to be!
