

Immanuel Lutheran Christian Academy - High School

Mission Statement: Providing a foundation of quality Christian Education upon which to prepare children for Godly leadership.

Language Arts	<p>Through the study of American and world literature, the development of vocabulary and grammar skills, and through the practice of research, documentation, and essay writing, students are prepared to be successful in their college classes that require these written communication skills. Through the use of in class reading, creative writing, and presentation of book reports, students are prepared for college in their public speaking abilities.</p> <p>English I, II (Pre-AP) English III, IV (Regular and AP) English Composition I (one semester) - Dual Credit English Composition II (one semester) - Dual Credit Literature for Life (12th grade)</p>	
----------------------	---	--

Social Studies	<p>Through projects, novels, lectures, tests and discussion, students explore a variety of political and economic systems, cultures, traditions and events. God's redemptive story is the lens through which all the material is viewed, as students learn to think deeply and sincerely about ideas and issues both past and present.</p> <p>Oklahoma History U.S. Government U.S. History World History Economics/ Personal Finance</p>	
-----------------------	---	--

Mathematics	<p>Instruction is provided in a variety of methods including lecture, cooperative groups, and discovery learning. Through the use of manipulatives, both hands on and virtual, students develop a conceptual understanding throughout the courses.</p> <p>Algebra I Algebra II Geometry Pre-Calculus Calculus I (Dual Credit) Statistics (Dual Credit)</p>	
--------------------	---	--

Science	<p>Teaching revolves around an interactive class setting. Conceptual and mathematical understanding of the courses are also stressed. Problem solving skills, critical thinking situations, and activity/lab-based learning will be incorporated throughout the courses.</p> <p>Biology I Biology II (Dual Credit) Chemistry I Environmental Science Anatomy / Physiology</p>	
----------------	---	--

Religion	<p>Students get an in-depth study of the Bible, different religions, and how to express their faith with assurance!</p> <p>Religion I and II--Old Testament</p> <p>Understanding the Times (11th grade) Understanding the Faith (12th grade)</p>

What Makes ILCA a Great Place

Small Class Sizes

The average class size is 10 students.

Christian Family Environment

Students feel like part of a family and enjoy the ability to pray for each other in the classroom.

Robust Fine Arts Program

- Marching band, praise band, and instrumental band
- Annual drama/musical performances
- Various medias of art expression

1 to 1 Technology

All students are issued a Chromebook for school and home use.

Differentiation

Due to small class sizes, students at a variety of learning levels experience success.

Mentoring Opportunities

With a K - 12 campus, older students have daily opportunities to mentor younger students.

Sports

We offer a variety of sports for students to participate in.

Football
Girls Volleyball
Cheerleading
Cross Country

Basketball
Golf
Soccer
Track

Leadership and Service

Students have ongoing service and leadership activities integrated into their school year.

Dual credit courses

Students have the option to take college courses without leaving the campus.

National Honor Society and Student Council

Students have the opportunity to become involved in organizations that promote character building.

STEM and Robotics Club

An after-school program is available to students to explore STEM and Robotics.
