## Exciting News for ILCA Families!

We are excited to announce the creation of a new Fine Arts Academy at ILCA this fall! We will be offering several after-school classes for both our Preschool and Academy students. Non-ILCA students and homeschool students are also welcome, so spread the word! All teachers are experienced professionals in their field. We are blessed with large teaching spaces which will allow for good physical distancing and no sharing of instruments. We know that you will enjoy the benefits of high quality, reasonably priced arts instruction with a convenient on-campus location!
