TIPPITOES UPDATE!

Our tiny dancers are LOVING their Wednesday dance classes!! Our recital is Saturday, November 28th, at the Jenks Riverwalk, at 3:30pm. Just our 13 dancers will be on the stage at that time. They have been working on their Christmas routine and it promises to be the cutest thing. Thank you for allowing your child to be part of TippiToes this year. If you have any questions, please reach out to me or to Miss Laura! 😊

PRESCHOOL FACEBOOK PAGE

Please make sure to find our school page on Facebook! It is listed as **Immanuel Lutheran Christian Academy Preschool**. The profile picture is a group of children on our jungle gym outside- just to help you be able to find the right page. We post all kinds of events and updates here, so you'll want to make sure you "Like" it!

COVID-19 UPDATE:

We have taken extra precautions after having several positive parents and our first positive student; we are doing everything we can do reduce germ spreading among classes without reducing our hours. This is taking a lot of work on the part of our staff, but we are 100% committed to keeping our children, families, and staff safe. We will be playing in single class groups on the playground, we have eliminated teacher plan periods to avoid staff rotating in/out of the classrooms, and we are doing our best to keep the classes separate before and after our common daytime teacher hours.

Please know that we are committed and that we are doing everything we can. We'd like to request that you are, too. Please be honest with us about any exposures or family members testing/receiving positive/negative tests. Please keep your kiddos home if they are under the weather or if they've potentially been exposed. We know it is 100% inconvenient to miss work or quarantine, but it is absolutely crucial to the health of everyone around you that you do so. We have some immune compromised students and staff, and we would like for everyone to work together to keep our ILCAP family as healthy as possible.

Thank you for understanding and for your help with this. Praying for good health and continued safety for all of you!
