

Hello ILCA Families!

Our fine arts academy, IFAA, is off to a great start. We are beginning our new semester next week, so now is the time to enroll your student or yourself! We offer a variety of group classes and private lessons for all ages, all of which can be found on our class description page: <https://ilcanews.org/ifaaclassdescriptions/>. We have links for online enrollment on each page of the IFAA site as well.

We are beginning a scholarship program this semester to allow students who may not normally be able to afford them the opportunity to study their instrument of choice. If you are interested in receiving a student scholarship, email Rebecca Winston at rwinston@icaba.org for more information and an application form.

IFAA classes aren't just for our school-aged students. Adults study with us as well! If you are interested in more information on adult class offerings, email rwinston@icaba.org.

We hope your family enjoyed a lovely Christmas holiday, and we look forward to seeing you all again!

Rebecca Winston
Director, IFAA
