June 1
Summer Camp begins

August 16
Open House

August 18
First Day of school

Congrats once again to our graduates, Ramsey, Jackson, Emily, and Sajin. They have worked hard and have accomplished so much. Here are the details of their accomplishments.

Ramsey hopes to attend Northeastern State University in the fall and major in Psychology. He hopes to learn more about the human brain and how humans think in order to help them. His favorite memory while at Immanuel is when the 2018-19 boys' basketball team won regionals! Ramsey wants to continue his basketball skills into the future, as well as what he learned in his science classes and in Economics. Ramsey's classmates think highly of him.

Jackson's favorite memory is when he went to Oklahoma City to film a Basketball game and getting to sit in the front row at a Thunder game. While at ILCA, Jackson became immersed in vocal music and Praise Band. He wants to continue singing in college and in the future. He is also an interesting and proficient writer and looks forward to continued work on English writing skills. Jackson plans to attend the University of Hawaii at Manoa in Honolulu next Fall, and he has been awarded a \$16,000 dollar scholarship to do that. Additionally, he has been offered the following scholarship amounts: \$48,000 to Kansas University; \$36,000 to the University of Oregon; \$72,000 to Baylor University; \$40,000 to the University of Colorado; In total \$212,000 of scholarship money was offered toward Jackson's education.

Emily's favorite memory at ILCA is learning to play the saxophone with Mr. Henry. She hopes the Godly leadership skills she has learned and put into practice with her this year go with her into college and beyond. Emily plans to attend Texas A & M in Galveston, TX and major in Marine Biology, culminating in becoming a Marine Veterinarian. She has been awarded scholarships to do that: \$17,500 Regents' Scholarship; \$20,000 Lutheran Heritage Scholarship; \$1000 Freshman Academic Scholarship; The total amount was \$38,500 worth of scholarship money offered for Emily's future education.

Sajin says he has always cared about his teacher/mentors here at ILCA and says you cannot have too mentors to turn to in life. He plans to attend Tulsa Community College and further his interest in social studies and politics. His career plans include something in the area of Political Science. He adds he could become an honest ballot counter! Sajin has been awarded the Oklahoma Promise Scholarship to attend TCC free.

Our graduates will be missed, however we are sure proud of them and hope that the Lord continues to bless each of them and their families as well!

Office hours for June 2nd until June 11th are revised 8am until 12pm. If you need immediate assistance outside of our office hours, we can be reached by email.

Have a great summer! Summer camp has started this week! Look for more photos next week in the Summer Crusade!
