Field Day

This year field day will be **Friday May 6th**. For those who are not familiar with this event, **we travel to Ponca City** to compete with other Lutheran schools in academic and track/field events. We have **parent volunteers to drive all of our students to this event**. Each school year in May, students in grades 1-8 compete in track, field and academic events with students in grades 1-8 from other Lutheran schools in Oklahoma. **First Lutheran School in Ponca City** hosts this all day event. It is a day filled with fun and Christian fellowship not only with our own ILCA family but with other Lutheran school families in the state. The students sign-up and practice for their events during PE with Mrs. Hostetter.
