Early Dismissal Today, April 29 at 1:50pm

Field Day

This year field day will be **Friday May 6th**. For those who are not familiar with this event, **we travel to Ponca City** to compete with other Lutheran schools in academic and track/field events. We have **parent volunteers to drive all of our students to this event**. Each school year in May, students in grades 1-8 compete in track, field and academic events with students in grades 1-8 from other Lutheran schools in Oklahoma. **First Lutheran School in Ponca City** hosts this all day event. It is a day filled with fun and Christian fellowship not only with our own ILCA family but with other Lutheran school families in the state. The students sign-up and practice for their events during PE with Mrs. Hostetter.

ILCA Summer Day Camp Registration is now open for ILCA Families and former campers. We look forward to another great summer at camp and can't wait to see you. Camp runs from May 31- August 5. **Please email vcobb@icaba.org for further information.**

Coin Chaos was a huge success! We raised over \$800 total. Thank you to everyone for sending in all the change.

Our Spring Fine Arts Concert was such a great one! The students did their very best and had the parents, teachers and staff in awe of their wonderful performance this past Tuesday.

We also had our **Spring pep rally this past Thursday** to celebrate with our Track and Field athletes! Did you know that we have some talented rappers in our student body? Here is a video taken during the Pep Rally. <https://fb.watch/cHZV8IR-Su/>

Our K-2nd grade students have been celebrating their ABC countdown to summer and having a great time with that. They also celebrated Earth Day with some neat activities.

Our 2022-2023 school calendar is available now in the office and at www.ilcanews.org

For some students there are a couple of last field trips coming up. Make sure that you have a signed permission slip in the office.

Blessings to you on this last weekend of April!!
