Headmaster/ Principal Newsletter:

Parents ask, “What can I do to help my child become a successful adult?” Colin Powell said, “All children need a laptop. Not a computer, but a human laptop. Moms, Dads, Grannies and Grandpas, Aunts, Uncles - someone to hold them, read to them, teach them. Loved ones who will embrace them and pass on the experience, rituals and knowledge of a hundred previous generations. Loved ones who will pass to the next generation their expectations of them, their hopes, and their dreams.” I think he was onto something. On these cold winter nights, turn off the screens, gather together, and talk.
