

## ILCA Families

### Week at a Glance

April 8 - 13, 2024

From the Administrators' Office:

ECLIPSE! We are rapidly approaching the big event, and excitement is building around the school. We want to remind parents that all grade levels are currently learning about the eclipse. They are also making plans for viewing the eclipse in an age-appropriate manner. We have purchased solar eclipse viewing glasses for all students and staff. If you have any questions or concerns, please contact the administration before Monday at noon.

Have a blessed weekend with your family.

---

## 2024 Total Eclipse: Where & When

### HS Field Trip to view Solar Eclipse

Hi Parents

We would like all high school students to experience the solar eclipse in the country, away from city lights. Mrs. Bewarldt has invited us to her house outside Coweta. I am super excited, as students can investigate whether or how the solar eclipse affects wildlife and insects. Yep, I am that science teacher. We will leave at 11:20 a.m. and return by 3:10 p.m. Solar eclipse glasses will be provided and are mandatory. \$2.50 will be charged to student FACTS accounts for transportation.

- Spirit Wear!
- Lawn chair or blanket to sit on
- Bug spray
- Bring a sack lunch
- Football, soccer ball, frisbee
- Students can bring phones.
- And..... A great attitude!

---

## Spring Pictures - April 16

This is a dress your best day. **NO** jeans or T-shirts.

Think spring dresses, trousers, and spring-colored polos.

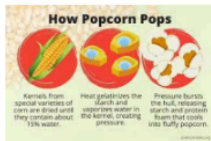

**ILCA Summer Camp Registration** is OPEN! k-6th grades!

Theme: **How it's Made**

Contact [Stephanie Hipskind](#) for more information.

Click [HERE](#) for the registration form.

**How it's Made**

WEEK	DATES
Week 1	May 28-31
Week 2	June 3-7
Week 3	June 10-14
Week 4	June 17-21
Week 5	June 24-28
Week 6	July 1-3** 3 day week
Week 7	July 8-12
Week 8	July 15-19
Week 9	July 22-26
Week 10	July 29-Aug 2

Get ready for a summer full of adventure as we making our relationship with God strong.

Some trips we will go on are Drillers baseball, the Tulsa Aquarium, and Incredible Pizza!

I look forward to seeing you this summer.

Please contact me with any questions.

Stephanie Hipskind:  
[shipskind@icaba.org](mailto:shipskind@icaba.org)

For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.

Ephesians 2:10

**COIN CHAOS IS HERE!**

**April 8th-18th**

Each class collects as many **pennies** as they can.

Classes can slow each other down with **Silver Sabotage!** Other classes can toss **silver coins** into the collection canisters. The value of the **silver coins** subtracts from the **pennies** total.

Ex: **50 pennies** and **2 dimes** = **30 pennies total**

**The winning class gets an ice cream party!**

Summer Academies in Science, Technology, Engineering and Math

Apply for **FREE Summer TCC STEM Academies** - click [HERE](#)

It is almost that time again for the Fab Lab and the School of Mathematics & Engineering to put on their second annual summer stem academy! This academy is an overnight, weeklong summer camp that brings in high school students from all over the state to come learn and engage on our campus about sustainable energy. This year's focus is wind energy. We are so excited for this year's camp!

The planning phase is underway, and applications for the camp go live on March 1st.

The camp will be from June 9th - June 14th.

The Oklahoma State Regents for Higher Education offer **FREE STEM Summer Academies** for students entering the 8<sup>th</sup>-12<sup>th</sup> grade.

Scan the QR code to explore an Oklahoma college or university for a unique, hands-on learning experience!

Don't miss your chance to attend – **STEM Academies fill up quickly!** Registration opens March 1.

# Summer Reading Programs - click [HERE](#) for more info!

Alphabet Skills   Phonics   Sight Words   Comprehension   Love of Reading

## Learn To Read Programs

Offered this Summer in Broken Arrow

### Program for 4-Year-Olds & Entering Kindergartners

In this fun summer program, your child will learn to read. Children learn letter recognition, beginning phonics, and easy sight words. Your child will practice reading simple words and short sentences, experiencing success at every step. The wonderful books, engaging games, and exciting activities will get your child really excited about books and reading.

### Program for Entering 1st Graders

In this fun summer program, your child will learn to read independently. Children learn phonics and sight words and build comprehension skills. Your child will develop a love of books and reading and get off to a great start in first grade.

## Reading Skills Programs

### Programs for Entering 2nd-5th Graders

In these fun single-grade programs, children become skilled, confident readers. They learn grade-level decoding and vocabulary skills, improve fluency, and develop strong comprehension. Your child will develop a lifelong love of reading and get off to a great start in the school year.

For More Information or to Register

**CALL (800) 470-3728**

Mon.-Fri. 7am-8pm, Sat. 7am-6pm, and Sun. 9am-5pm

Source Code: 220-14-72759

### Teachers

Programs are offered by The University of Oklahoma Outreach, College of Continuing Education. Programs are taught by instructors from the Institute of Reading Development.

"My daughter is sounding out words on her own, and she is so excited about reading to us! She loved this program, and I was very impressed with the teacher."

- Parent of Kindergartner

## Class Schedule

All programs meet once each week. Tuition varies by grade level. Please ask about our family discount.

Programs meet in **Broken Arrow** at All Saints Catholic School, 299 South Ninth Street.

### 4-Year-Olds & Entering Kindergartners:

Sat. June 1-June 29, 9:00am-10:15am
