Preparing servant-leaders to serve the world through Christ's example.

Week at a Glance: August 11 - 16, 2024

Dear Parents,

We are getting closer, and the building is “a’buzz” with the work of preparing for our students to return. We are so excited and counting the days! Just a few items to share:
Monday, Aug 12, 2024, at 6:00 pm: Open House for K-12 we will start in the Sanctuary
Wednesday, August 14, 2024, from 7:30 am-8:00 am, we will have donuts/juice and fellowship in the Gym.

Parental Choice Tax Credit Checks: We are excited that the tax credit checks are arriving much earlier than we expected. Mrs. Brinkman, our treasurer, will be processing those checks as they arrive over the next few weeks. She will contact you for your signature and get them applied to your FACTS account.

FACTS Accounts: We continue to be grateful for your patience as we persevere through the learning curve of our FACTS conversion. Please do not hesitate to contact us if you are having issues with your FACTS account.

Have a blessed and relaxed “last” weekend before school. Go out and do something amazing with your sweet kids!

A message for some of my favorite people...ILCA students, families, and staff

¡Hola a todos!

(Hello everyone!)

Those of you who know me or maybe just heard about me from your students, know how passionate I am about the Spanish language. Another thing I am very enthusiastic about is cultural exchange. In my free time, I am an International Exchange Coordinator for EF High School Exchange Year. This year instead of just being a coordinator, my family is hosting two students who will be juniors at Union High School. We will be hosting Anita from Italy and Marie from Germany.

I would love for these girls to have a great first impression of Tulsa, Oklahoma and I can't think of a better way than to have some friendly faces (ILCA students) welcome them when they arrive at Tulsa International airport this Saturday (August 10) on a Southwest flight at 4:30 pm. If anyone lives in the Union school district and/or knows any students attending Union High School, I'd love for you to invite them to join us at the airport as well.

If you would like to help me welcome these two young ladies, I will be in the Tulsa Airport arrival waiting area for Southwest at 4:15 pm. If you are creative and are so inclined, a welcome poster would also be appreciated.

¡Mil gracias!

Sra. Neumaier
