

ILCA Families

Preparing servant-leaders to serve the world through Christ's example.

Week at a Glance: January 6-12, 2025

Dear Parents,

Happy New Year, ILCA Family! Can you believe Christmas break is almost over? We are excited to have everyone back and ready to start the second semester. Now is a great time to start re-establishing those routines that help your child be successful.

If you have not taken time to watch the [enrollment video](#) that was sent out on Monday, December 23, 2024, please take time to review and make your enrollment plans. We will open the online system on January 9, 2025, for returning students. This will be our first time using the FACTS online system, so we appreciate your patience as we navigate this transition. Please let us know if you experience any difficulties.

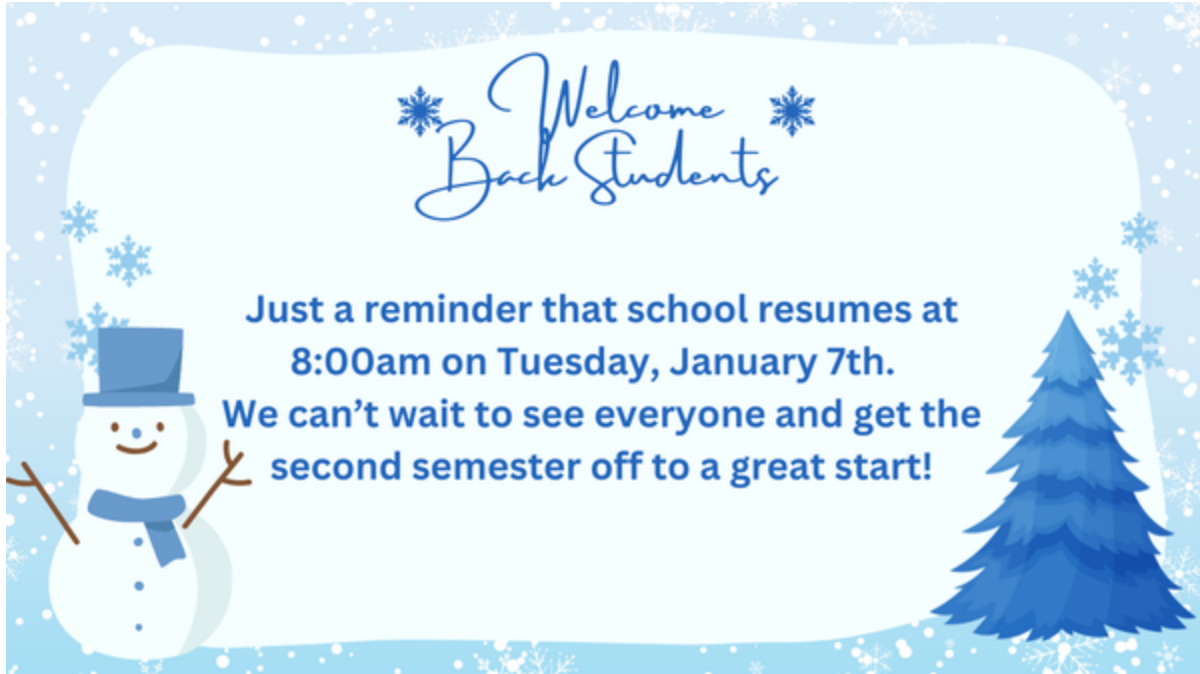

It is with a heavy heart that we said goodbye to Liza Fore, our Administrative Assistant, on Friday before the break. She had the wonderful opportunity to take a job in the school which her children attend. This will also cut her commute time significantly. We will miss her calm, cheerful, spirit in our office. Of course that means that we once again have an open position. If you know of someone who is looking for this type of position, please have them reach out to Mr. Rogers. Resumes can be sent to jake.rogers@icaba.org.

Winter Coats: The temperatures certainly are fluctuating. Just a reminder that if the “feels like” temperature (wind chill) is above 32 degrees we will be outside for recess. Please encourage your students to bring their coats/hats/gloves.

See you Tuesday!

Have a blessed weekend,

Jake Rogers and Twilla Berwaldt
